The program was inaugurated by **Dr. Amit Parik, Director (Academic), G. D. Modi Vidyasankul**, who emphasized innovation, start-up culture, and women-led entrepreneurship as key components of sustainable national development. **Principal Dr. Radhaben Patel** welcomed the participants and highlighted the role of higher education institutions in empowering women through skill development and entrepreneurial orientation.

The program benefitted **130 girl students** from various colleges of G. D. Modi Vidyasankul, managed by Banaskantha District Kelavani Mandal, thereby fulfilling the objectives of *inclusive education and gender sensitization* under **NAAC Criterion 7**.

As per the approved programme schedule, the **pre-lunch academic sessions** were conducted by **Shree Sachin Patel**, Project Officer, EDII. These sessions focused on the *need and importance of entrepreneurship, entrepreneurial traits, competencies, and mindset development*, directly contributing to **NAAC Criterion 3 – Innovation and Extension** through capacity building and skill-oriented learning.

The **post-lunch sessions**, conducted by **Shree Ravjeet Singh Atwal**, Project Officer, EDII, provided experiential learning through interaction with women entrepreneurs, identification of business opportunities for women, and awareness of government schemes and programmes supporting women entrepreneurship. These sessions strengthened students' understanding of *self-employment avenues, social responsibility, and economic empowerment*, aligning with both **Criterion 3 and Criterion 7**.

The program was jointly organized and supported by the **CWDC Coordinator Dr. S. K. Patel** and **Dr. Hemal J. Patel**, ensuring effective gender-focused planning and execution of the activity.

The event was efficiently coordinated by **Dr. Mihir M. Dave**, Coordinator, WEP Centre. **Dr. Dipak Patel** and **Dr. Prakash Rana** managed registration and documentation, while **Dr. Vijay Prajapati** supervised hospitality arrangements.

Overall, the program significantly contributed to *women empowerment, entrepreneurial awareness, institutional social responsibility, and community-oriented learning*, thereby fulfilling the objectives of **NAAC Criterion 3 (Research, Innovation and Extension)** and **NAAC Criterion 7 (Institutional Values and Best Practices)**.

Report: Awareness Workshop on Prevention of Sexual Harassment (PoSH)

Venue: Seminar Hall room no.1, GD Modi College of Arts, Palanpur

Organized by: Internal Complaints Committee (ICC)

Coordinator: Prof. Mukesh Raval and Dr. Surekha Patel

Introduction

In compliance with the UGC Regulations and the PoSH Act, 2013, GD Modi College of Arts, Palanpur, organized a comprehensive awareness workshop aimed at sensitizing students and faculty about the Prevention of Sexual Harassment (PoSH) at the workplace and educational institutions.

Inaugural Address

The session commenced with an address by Principal Dr. Radhaben, who emphasized the institution's commitment to providing a safe, respectful, and inclusive learning environment. She highlighted that awareness is the first step toward prevention and urged students to be proactive in maintaining the dignity of their peers.

Key Discussions and Technical Session

Prof. Mukesh Raval, the program coordinator, led the primary technical session. To provide clarity on often-confused social behaviors, Prof. Raval explicitly differentiated between three key terms:

Ragging: Defined as any act that causes or is likely to cause physical or psychological harm or raises fear or apprehension in a fresher or junior student.

Romeogiri (Street Harassment): Described as unwelcome advances, stalking, or passing comments in public spaces, often dismissed as "teasing" but legally actionable.

Sexual Harassment: Explained under the PoSH Act as any unwelcome act of a sexual nature, including physical contact, sexually colored remarks, or showing pornography.

Prof. Raval used real-life examples to illustrate these differences, ensuring students understood the legal boundaries and the specific redressal mechanisms available for each.

Committee Support

The workshop was supported by a dedicated team of faculty members, including:

Deep U cutting

First of all, wash your hair, then part it in the middle of your head and divide it into two parts. Then, make a few hairs from both of them as a guide line. Cut the U-shaped section along that guide line. Then, make five to seven sections on both sides. Keep the main guide line in the middle of both the sections, leaving one inch space between the main guide line and cut the U-shaped section in a half-moon shape. Doing this in each section will create a deep U cut, i.e. shoulder to shoulder.

Hair-Spa

Hair spa is a chemical process. Due to which the hair looks silky and smooth for some time. The hair growth is loose and looks full. After doing hair spa, a different kind of hair appears. And despite the less growth, the hair looks very full. The technique of applying hair spa is very easy and simple. For example, before doing hair spa, you must wash your hair. Also, apply hair spa cream from the root of the head by combing the hair vertically, parting it in the middle and making small sections, and massage it very slowly into the hair. After that, pack all the hair and wrap a hot towel on it and if there is no towel, then hot heat can be given. For 10 to 15 minutes. The result of this is very good and is seen for a month.
