Teachers Feedback analysis-

The feedback on syllabus and its transaction have been collected from the faculty members. The teachers' feedback on Curriculum was mostly positive in all the aspects. The analysis of the teachers' feedback reflects the adequacy and availability of teaching-learning facilities. However, very few of them felt that the syllabus is not sufficient to meet the present requirement and practical exposure can be increased. There is also a need for the change in the syllabus on a regular basis that will provide opportunities for reading materials and for learning new concepts. There is a requirement for more upgraded curriculum delivery tools and software needs to be upgraded.

Suggestions -

1. Suggestions for Smart classrooms, teaching tools available for the teaching-learning process.
2. As per today's requirement, the changes in the syllabus will be done by considering the NEP-2020 guidelines.
3. Library needs more updated editions of books.
4. Syllabus needs revision as per market demand

Feedback analysis and action taken

The feedback on overall performance of the institution has been collected through online mode. By integrating the final conclusion and suggestions from the analysis of feedback from three stakeholders (students, alumni and teachers) of the college, key areas of consideration are extracted. These areas are discussed with the Principal by the IQAC coordinator. Appropriate actions are taken at the level of the Principal and where necessary, a few areas were represented in the Governing Body meeting of the college. Below the action taken report has been shown in a tabular form.

Key areas of consideration	Actions Taken
More books in the library with updated editions of the existing books	The principal called the librarian for a short meeting and she was asked to work further on this area. She was advised to raise the requirement of books from teachers and make a pool of books that can be purchased for the library. The point was also discussed in Governing Body meeting by the Principal and requested for funds for purchasing more books
Provide additional knowledge to Alumni about job opportunities	The convener of the Career Guidance and Placement Cell was advised that along with students' Whatsapp groups, intimation of any job opportunities must be sent to Alumni groups also. She was asked to ensure that the information reaches the Alumni.
Organizing more educational trips and extension activities	The suggestion of educational trips was mentioned by students and certain teachers gave suggestions for more extension activities. However, numbers of extension activities are organized in the college; yet, Principal made out a circular and asked teachers to organize educational trips for students under the banner of any committee/cell/department and keeps an eye on the opportunities in this regard
More infrastructural and ICT facilities	The Principal was told by IQAC co-ordinator that certain infrastructure and ICT facilities as low. The Principal mentioned that in earlier sessions, the college has already worked on improving the infrastructure
