INSTITUTIONAL BASIC INFORMATION

Palanpur, being a historical place and a Navabi state before independence, is well-known as a Diamond City and *Ghazal Nagari* (city of poetry) because of its rich legacy of Gujarati Poets who were divinely gifted in writing “Ghazal” (a poetic form). Palanpur is a heart and a head quarter of Banaskantha District too.

Banaskantha District Kelavani Mandal was the first to establish Arts & Science College in the entire district in 1964. We were the first to start higher education institute in the district. G D Modi College of Arts was the first college in the north Gujarat region that got NAAC Accreditation in 2004.

The Management is devoted to the aim of education with a view to imparting higher education to brilliant but economically poor students belonging to city and rural area. Banaskantha District has been considered as one of the economically backward districts of the state and our specific goal has always been to offer quality education to its students. The institution completed cycle I in 2004 and Cycle II in 2014 with ‘B’ and 3rd cycle in 2019 with ‘B⁺’ Grade. The institution was also accredited with A Grade in AAA by KCG, Dept. of Education, and Govt. of Gujarat in 2014.

IQAC takes necessary initiatives for modernizing teaching-learning methodology with an emphasis on innovative and interactive methods. With our efforts to bring excellence, our co-curricular and extra-curricular activities are made more qualitative and student centric. We are quite sure to reach our destination by preparing our students for self-reliance through quality education.

The college is conscious about the poor socio-economic background of its students. Therefore, it intends to facilitate them in each and every way and prepare them to fight the competitive nature of world. The college runs certificate and diploma courses in Yoga and Sanskrit to equip them with “Holistic Way of Living”.

Ever since its establishment, the institution is benefited with visionary Management and enthusiastic Principals. The institution has spent about 60 years of its esteemed existence. Three generations of people of this area have acquired higher education through this institution.
